

Greetings dear friends and partners!

I would like to share some thoughts with you, which have risen to my heart and testimonies from spring 2009. In spring we, Reality Outreach Ministries Baltic team, had altogether 5 live dramas in 4 different countries – Estonia, Finland, Latvia and Lithuania. We also had 3 video dramas in Latvia and Estonia. More than 2000 people came to see the drama and over 300 of them responded to the altar call and gave their lives to God during these drama crusades. We are thankful to each and every church, who called us to preach gospel. We are also thankful to every actor/actress, helper, who gave their time to participate. Great thanks to those, who have prayed and supported financially this ministry.

People responding to the altar call in Mazeikiai, Lithuania. Youth and old people altogether. Also many children from orphanage gave their lives to God – now they have Father, who loves them.

In Bauska, Latvia children from orphanage also responded to altar call. Many of them had seeing and hearing problems. Let's believe and ask God's healing power to touch them.

Drama in the Vabalninkas city, Lithuania, where Birzai's Pentecostal Church is starting with new children work and church. Despite of resistance of catholic many people responded to the altar call.

Years ago while I was watching soccer game, God showed me a picture from church – the Body of Christ as a soccer team. Soccer is a team game, there might be some stars in the team, but this alone doesn't help. Every man has to give himself into this game, then and only then this team can win.

In soccer you can share the team into 3 groups:

1. strikers 2. half-backers (they forward the ball) 3. defenders.

Christ's Body – the church – we can share it too into 3 groups:

1. missionaries, evangelists – those who are in forefront (like strikers in football)
2. givers – supporters, partners – those who send out (like half-backers in football)
3. prayers – those who stand in rear (like defenders in football)

We need each other. Just like in soccer – the team will win if all players are in the game – the same way our victory is depending on all players. Last time, while I was in Lithuania I heard God clearly saying, that especially on this financially complicated time our result of victory is depending on supporters – partners, those who help us to reach to nations.

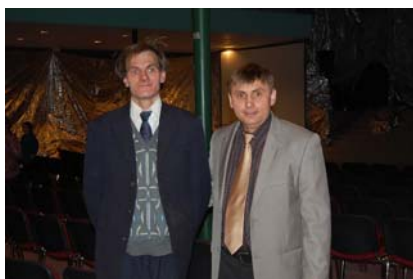

1. Samuels 30:24 says, same part to each of us – it doesn't matter, what's your part – the victory belongs to all team. If soccer team wins, they all get medals. And sometimes even defenders go striking to get goals – I believe that everyone who prays and supports, should go at least for once to a mission trip. It's the best way to understand, how to stand in rear and send out. Next time you could be with us! God is calling all of us to play on the field – don't be spectator. It's so comfortable and good to watch the game from TV, but unfortunately spectators won't get medals...

So our encouragement to you is to be along with things God is doing today – doesn't matter if it's going out, supporting or praying for those, who are in forefront. Just like our ministry director Tanya Urban confirmed us – those more than 300 saved people on this spring are worth more than gold and silver. Like the Word says in Mat.6:19– gather fortunes to heaven...

This is our bread – seeing people on altar – it gives new strength to keep on going against next challenges, which are waiting for us.

Altar call in Tartu, Estonia, where we saw over 100 people on altar during 3 nights. Many pastors from other cities in South-Estonia came there with their youth and helped them to go to the altar.

My namesake Valdo (in left), who was unemployed and homeless gave his life to God in 2007 in Tartu dramacrusade. Now, 2 years later he is testimonying : „God has changed my life.”

Video drama in the village of Vandzene, in Latvia, close to Talsi city. This village was strongly connected with occultism – still our God is greater - people came to the altar!

In every way, we keep on going on forefront with vision God has given to us – to take reality of Jesus’ rescue to the nations. In spring our team will have a trip to Georgia on May 14-22 with a pastor Allan Lilleorg from Kiviõli free-church. We are planning to encourage local churches and preach gospel through video drama. We are also planning mission trip for 2 weeks in Uljanovsk and Toljatti, Russia and in our relative nation Mari-el in June. We are specifying exact dates and composition of this trip – you may be there. From the end of July we will be having live dramas in Baltic countries – we are so grateful for new doors, which are continuously opening in these countries!

We thank you for your prayers, so we can take our “horse”, which takes us from one place to another, to exchange it. Our 10-years old Fiat Ducato has been serving us very faithfully, but unfortunately 380 000 km on different roads and especially with the trailer have exhausted it.

People, who accepted Jesus Christ as their Saviour in Ylistaro, Finland going through the Heaven’s gate – this place is opened even for You Today...

The family, who hosted us in Finland, God gave them a special gift on the second drama night - their step daughter Pirkko redecided to follow Jesus in her life.

On background our old car and in foreground newer and proper version for us, which is on sale. Year 2007, thoroughfare 27000 km. Fiat Ducato. Cost of this car is about 19000 EUR at the moment.

Thank you once again for your prayers and support – we couldn’t go anywhere without that!
Together with you,

Valdo & Elme Maamägi – Reality Outreach Ministries Baltic team.
