reality outreach

Dear friends:

The thirteenth harvesting season in Reality Outreach Ministries is over.

These 13 years have been wonderful: when summarizing it, we have to point out that God has done far beyond what we have thought He would. We have had the privilege to preach the gospel through two dramas from Northern Lapland in Finland to Ber Sheba in Souht-Israel, from Valencia in West (Spain) up to the oil fields behind Volga in East, in Russia.

We have had the joy to pray the sinner's prayer with thousands, to minister to hundreds of churches and pastors and to preach the gospel to tens of thousands by travelling to various nations. We say so, with greatest gratitude towards God who has trusted us with preaching the most precious message in the world: THE GOSPEL.

VIDEOCRUSADES: during 2 years in over 100 places of Finland

Thanks to our faithful coworker Elli Kukkula, who has made hundreds of phone calls to arrange video crusades for us, we have traveled to more than 100 towns in Finland over the last few years to perform HEAVEN'S GATES AND HELL'S FLAMES/LAST CHANCE video crusades. As a result of that, lots of lives have been changed. After each crusade we have received testimonies saying „Through this drama video the message touched me and changed my life! “ We are again starting video crusades already in August 2010.

HEAVEN'S GATES AND HELL'S FLAMES IN HEBREW - שערי שמים ולהבות השאול

We just received a traslation of HEVEN'S GATES AND HELL'S FLAMES in Hebrew, made by our brother John Figueras. We believe that this is God's timing, before we go with the team to Israel in this summer. This is a great tool to reach Jewish nation all around the world.

In Northern Lapland

In March /April we had video crusades in the northern part of Finland - in Lapland, which is a neglected and very hard soil for the gospel. There is still quite a lot of witchcraft and shamanism there.

We preached the gospel together with the Lapland's Apostle, Jorma Lappalainen, in Kolari, Muonio and Pello. That was the real mission to the ends of the Earth. Hardly any trees grow from Muonio onward and we met herds of reindeers. Jorma is a real man of faith who for years already organizes prayer conferences in this dark region to get a spiritual breakthrough. It was joy to help and encourage him.

GEORGIA, ISRAEL, LAST CHANCE IN ESTONIA!

We have completed the HEAVEN'S GATES AND HELL'S FLAMES drama DVD in Georgian. In Georgia it is a wonderful tool for organizing video crusades and spreading it amongst Georgian-speaking people. We are also planning LIVE drama crusades starting from November 2010.

We need a lot of wisdom and prayer support for that, because several limitations make getting there more complicated and there is quite a lot of opposition by the local orthodox people, too. Please pray for the situation in Georgia. Right now, we are translating the HEAVEN'S GATES AND HELL'S FLAMES drama video into Hebrew. There is also a great need for the

drama DVD in Arabic as it is spoken by hundreds of millions in Middle-East and elsewhere. Please pray that the translation process and dubbing

could be done shortly for the harvest is ready. If you have ideas and suggestions concerning that, please contact us. The good news is that from September 2010 we are starting LAST CHANCE

drama crusades in Estonia. At the moment we are busy with translating the multimedia and preparations. The first crusades in Estonia will be in our church and in the Tallinn Pentecostal Church.

We are also starting series of live LIVE LAST CHANCE drama crusades in Finland in October 2010. Our more accurate scedule can be found at www.reality.ee

5 words to our dearest partners

God does not see any crusades, meetings or achievements as BIG or SMALL
– even the smallest seed can change a nation.

Jesus himself took time to preach to one woman at the well in Samaria. Every place He leads us to is important to His worldwide harvest.

We have experienced that over the last few years – we have had mass meetings and God has also lead us to single individuals.

And it is the same with your support to our ministry: it is not important how much you give but the fact that you are faithful in what He leads you to do. We are tremendously thankful to every indefatigable giver and partner.

As a ministry we are facing greater financial challenges than ever before but we also see an increasing need to go where spiritually ripe cornfields are waiting.

Greatest thanks to those who have been with us in giving, prayer and encouragement. One sends out, another prays, another goes, again someone prays and another encourages – and the Heaven becomes filled and the Hell plundered, **the precious fruit of the Earth will be harvested.**
